Potholes alter COLTS bus routes

SCRANTON — The County of Lackawanna Transit System on Monday established temporary detours on two bus routes through the city because of poor road conditions due to potholes.

The No. 52 Carbondale bus will use Olyphant Avenue to Pancoast Street because of conditions on Boulevard Avenue, COLTS communications director Gretchen Wintermantel said. The No. 36 Lafayette bus will use Grant Avenue between Washburn Street and Lafayette Street for both the inbound and outbound routes due to both road conditions and construction.

"The roads are just too bad," she said.

The detours will remain in effect until further notice.
