

COLTS to end McDade Park run

SCRANTON — The County of Lackawanna Transit System plans to discontinue its McDade Park seasonal route because of a lack of ridership, the agency said Tuesday.

COLTS has offered the McDade bus service from Memorial Day through Labor Day since 2012, but Executive Director Robert Fiume said COLTS can't afford to keep routes that people do not use.

COLTS also announced the temporary detour in effect on the No. 52 Carbondale route since February has been lifted, and buses will once again use Boulevard Avenue in Scranton.
