Facial Coverings Required On All COLTS' Vehicles and at LTC Until At Least Sept. 13

Scranton, Pa. – Passengers and drivers on all COLTS' fixed route and shared ride vehicles are required to wear face coverings until at least Sept. 13. Additionally, masks or facial coverings must be worn at the Lackawanna Transit Center until at least Sept. 13.

The Transportation Security Administration, or TSA, extended the federal requirement for face coverings on buses, trains, and airplanes, in April.

COLTS would like to thank the public in advance for its cooperation.
